### **NOTICE OF TERMINATION; LOW THREAT GENERAL WASTE DISCHARGE REQUIREMENTS ORDER R5-2013-0074, CITY OF PLACERVILLE, POTABLE WATER SYSTEM MAINTENANCE PROJECT, EL DORADO COUNTY**

The City of Placerville has received coverage under the Phase II Small MS4 General Permit No. 2013-0001-DWQ. This coverage extends to discharges from the Potable Water System Maintenance Project which includes well pump-to-waste, well rehabilitation, existing well redevelopment, tank/reservoir dewatering, pipeline/tank pressure testing, distribution flushing, and fire hydrant flushing from the City of Placerville's potable water system. On 29 January 2016, the City of Placerville requested termination under the Central Valley Water Board's Low Threat General Waste Discharge Requirements Order R5-2013-0074 for the City of Placerville, Potable Water System Maintenance Project.

Except for purposes of enforcement, coverage under Low Threat General Order R5-2013-0074-042 (WDID No. 5A09NP00006) is hereby terminated as of 29 January 2016 and invoicing will be modified accordingly. Please note that you must still submit your last quarterly monitoring report required under the Low Threat General Order to the Compliance/Enforcement staff. Failure to do so subjects you to mandatory minimum penalties or discretionary penalties.

If you have any questions, please contact Josh Palmer at (916) 464-4674 or [Joshua.Palmer@waterboards.ca.gov](mailto:Joshua.Palmer@waterboards.ca.gov).
